I don't have anything for you so no need to connect this morning on CZARA issues.

Hi Karen,

We are busy reviewing and developing responses to the comments. Do you have any questions for me or should we plan on cancelling the CZARA update?

I think I will be on the call but in case I'm not – the only CZARA update is that I had a conversation with Don Wayne late last week about a possible clarification he requested regarding our backup authority for the onsite time of transfer program. I am discussing this internally and expect to be able to get back to him by next week.

Hi Everyone - I made be a few minutes late to the call, so just wanted everyone to know. On the TMDL litigation, I have a short update on a possible NWEA extension. And Jayne, I'm not sure if you and Karen also have anything to cover on CZARA. So from my part, it'll be a short meeting, but still worth it to check in briefly.

Thanks,
Jenny
